Inter Sicherheits Service GmbH is the leading manufacturer of security products in Poland, and, at the same time, one of the largest in Europe. Our products have been tested and certified according to national and European standards like VdS (Germany), ECB-S (Germany), CNPP (France), IMP (Poland).

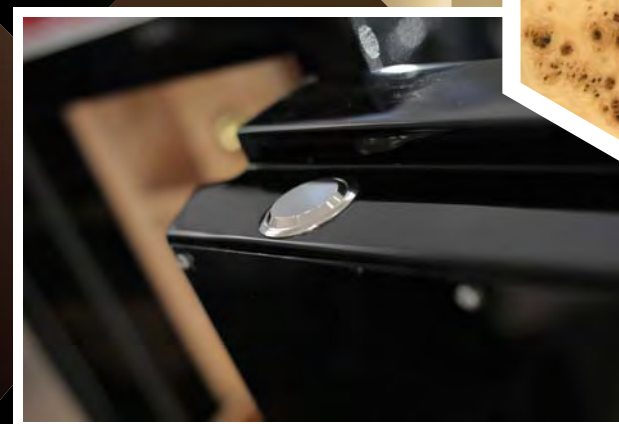

For more than 20 years we have gained well-respected customers from Germany, France, Scandinavia, Austria, Switzerland and from other countries.

At ISS GmbH we always comply with the highest standards. Despite a wide and stable customer network we never stop to broaden our know-how and to expand our excellent equipment and machinery.

Quality is our devise. We set a great value on precision and reliability. To suit the needs of our customers we always strive towards a perfect look combined with the highest functionality.

This is why, aside from standard products, ISS offers a special series of premium safes. We upgrade this class of safes through their extraordinary design and finishing with hand-crafted elements of precious metal, wood, glass or leather. Fully customized, our safes protect the valuables with guaranteed reliability and chic.

For questions or professional advice, please don't hesitate to contact our consultants and designers.

Safe for documents and valuables
Grade I, II, III, IV and V according to
EN 1143-1, VdS certificate.

The exterior finish of the safe can be finished
in a high gloss colour of your choice.

The interior can be customised to suit your specific
needs with options such as watch winders, soft
suede jewellery trays and interior lighting.

You can choose your own:

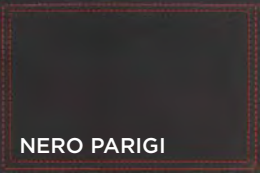

- colour and design
- special wooden interiors
- optional leather interiors
- LED lighting
- gold or chrome boltwork
- high security locking systems and boltwork
