INTER SICHERHEITS SERVICE

01

Market leader

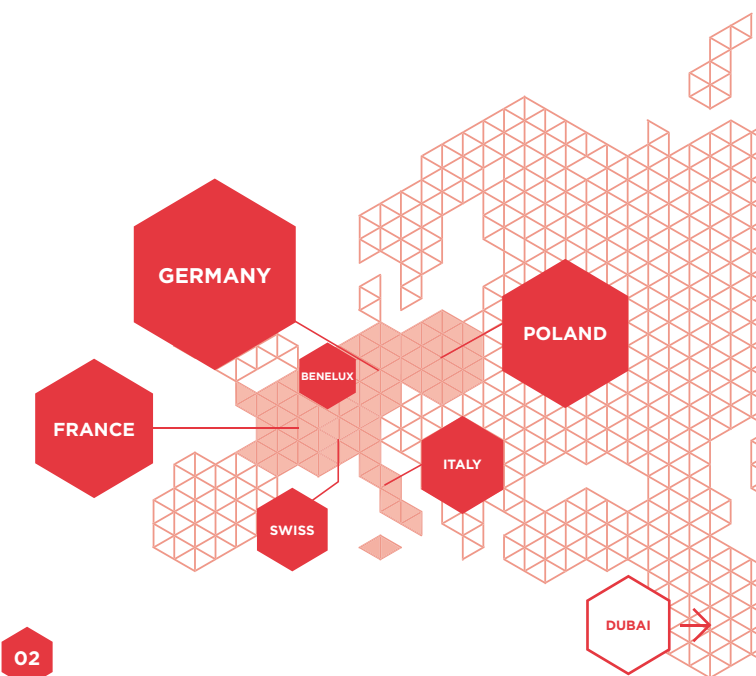

Leading production in two large plants, disposing of own logistics and a development division, as well as a commercial branch in Germany, we are one of the biggest safe manufacturers in Europe.

02

Leader in technology

Our modern machine park enables the processing of various materials. State-of-the-art CAD software and precise machining centers guarantee precise use of "knowhow" in the manufacturing processes.

03

Design

The newly designed fittings and hinges as well as the luxury product line transform standard styling into new quality.

New ECB•S Certificates

In 2013 we developed and submitted for ECB-S certification two new safe groups: St. Gallen and Bern.

They determine the base for new product groups, which are responding better to contemporary market demands.
