DEPOSIT SYSTEMS

St. Gallen Deposit, St. Gallen Deposit OV – D-I class
Bern Deposit, Bern Deposit OV – D-II class
Basel Deposit, Basel Deposit OV – D-III class

they are perfectly adapted for dropping and storing items such as: cash and other valuables.

These systems are for petrol stations, retail outlets and other retails where simple and quick depositing of values is essential.

A special drop system, prevents access to the interior through an open drawer, allowing storage of deposits and independent access to the inside of the safe.

Dual anchoring through rear wall and to the floor enhances the security.
