Alarm system (EMA) - complete set (also available in single positions).

When installing the alarm system or single components, the safe is equipped with the bottom cover, which diminishes the safe space inside by 30 mm.

* due to the inner dimensions of the safes, the full alarm installation is available from model 42702.00. In models 42700.00 - 42701.00 - the alarm elements are on request.

All information concerning weight, color and dimensions are noncommittal and subject to errors and changes. Minor deviations are conditional on the production process. Technical changes, modifications and printing errors reserved. Safes may be top-heavy, during commissioning, please exercise appropriate caution in accordance with the installation guide. Pictograms are not technical description of the product.
