GOODS ON STOCK

Siegen D series - a series of drawers for storing documents or keys.

The drawer is standardly lined with carpet to protect the stored items against scratches.

Each model includes hook bars, which can be installed in the drawer according to individual needs, in order to organize stored keys.

The dimensions of the drawers are adjusted in a way they can be stored under beds or in furniture. Levelled metal knob and grips do not occupy additional space.

Perforation on the inside of the door in models 331152.xx - 331154.xx enables hanging convenient and functional boxes, which may serve to unclutter the space in the drawer. They may store some

small items of everyday use.

Hanging boxes are the option against surcharge - ordered individually by a customer.

 All information concerning weight, color and dimensions are noncommittal and subject to errors and changes. Minor deviations are conditional on the production process. Technical changes, modifications and printing errors reserved. Safes may be top-heavy, during commissioning, please exercise appropriate caution in accordance with the installation guide. Pictograms are not technical description of the product.
